

A FIRST TIME HOMEBUYER SUCCESS STORY

Mr. Bandera started counseling at MHANY in 2005. It was difficult for him to find a home that was affordable for him.

He said, "I continued to work with MHANY for five years, because my counselor told me "Si se puede" that it is feasible for a person of moderate income to be able to own a home and be able to afford it at the same time.

The importance of the program is the continued guidance and support from beginning to end."

Mr. Bandera finally bought an affordable home in 2011.
