Beautiful, Spacious & Affordable Apartments

MHANY Management Inc. Provides: Affordable Rental Apartments Throughout New York City

MHANY Management Inc. owns and manages over 1,550 affordable rental units and 12,000 SF of commercial space throughout New York City. The core neighborhoods of focus are Eastern/Central Brooklyn, South Bronx and East Harlem. MHANY also developed its first affordable rental project in Paterson, New Jersey in 2009.

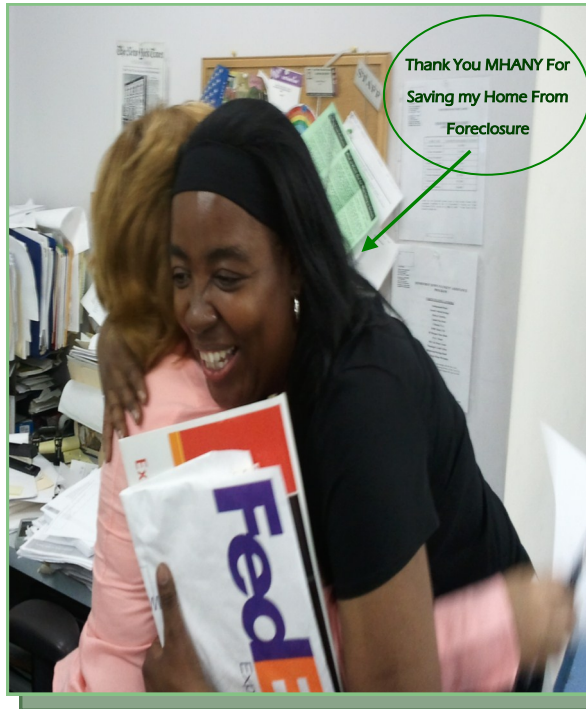

Partnership Works Program:

MHANY takes a holistic approach concerning the success of residents that live in our affordable rental apartments. The following are areas of emphasis:

- ◆ MHANY provides residents that live in our buildings with safe, well maintained affordable housing.
- ◆ MHANY provides a network of referrals, service options and in-house workshops to empower our residents.
- ◆ MHANY provides the opportunity for residents to advocate and make their voices heard via campaigns that focus on needed services or social injustices.
- ◆ MHANY's residents are able to share their expertise by volunteering to host workshops etc. For example, computer literacy, adult reading & writing, ESL etc.
- ◆ MHANY partners with other organizations to provide enhancement programs and host events for our residents.

About MHANY:

Founded in 1986, MHANY Management Inc. is a non-profit 501(c)3 organization that focuses primarily on meeting the needs of low and moderate income residents of New York through intensive housing counseling programs and innovative affordable rental housing development initiatives. Our mission is fourfold:

- ◆ Increase affordable housing opportunities for low and moderate income people by continuing to identify and implement creative and affordable housing initiatives, with a particular focus on preservation.
- ◆ Change the way affordable housing for low and moderate income people is developed and operated by employing innovative approaches and working with City, State and Federal agencies to create new initiatives.
- ◆ Work with current residents of our buildings to improve community conditions and increase neighborhood services and provide an avenue where MHANY residents and MHANY buildings provide role models to neighbors and neighborhoods.
- ◆ Help low and moderate income people who have the means (savings, credit and income) to purchase their own homes.
